# BAY WELD BOATS

CUSTOM ALUMINUM VESSELS

# CUSTOM BUILT FOR ANY MISSION.

## YOUR DREAM BOAT, YOUR WAY.

At Bay Weld Boats, each vessel is designed and built to meet the exact needs of our clients. Whether it's for commercial use or personal adventures, each boat is outfitted with the latest technology and innovations in propulsion, electronics, and accessories. Our boats are customizable down to the finest details, including upholstery and vinyl wraps, ensuring a one-of-a-kind build that fits your vision. If you can imagine it, we can craft it.

# PROVEN IN ALASKA.

Built in Homer, Alaska, our boats are crafted to withstand the demands of our rugged coastal waters. While a small fishing town may seem like an unlikely home for one of the Pacific Northwest's premier custom boat builders, it's here, on the coast of Alaska, where we've developed a deep understanding of the challenges boaters face in northern conditions. Backed by a 50 year reputation of impeccable quality and service, we design and manufacture vessels that perform in remote, demanding environments, custom designed to the unique needs of owners who want to venture off the beaten path.

# HAMMERTIME

HIGHFIELD

WD800

BW3913

BAY WELD BOATS

39' x 13' V-BERTH

BW3913 "HAMMERTIME"

## 39'x13' V-BERTH

Custom-built to accommodate a growing family, Hammertime strikes the perfect balance between comfort and efficiency. This boat features bunks for four guests in the forward berth and a quarter stateroom with a double bed, ensuring ample room for extended adventures. A full galley, head, and triple Yamaha 425 HP outboards (1,275 total horsepower) make it equally suited for a day of fishing or a week exploring the remote corners of Alaska's coastline. Highlights include a Seakeeper gyro stabilizer for a smooth ride, cutting-edge Garmin electronics, a convenient dinghy and davit system, a bow thruster for added control, and Helm Master joystick controls for precision handling. Hammertime delivers on every level—comfort, performance, and adventure-ready design.

# GLOBAL SEA

36' x 12' V-BERTH

**BW3612 "GLOBAL SEA"**

## 36'x12' V-BERTH

Global Sea is a custom-built vessel designed to deliver powerful performance and quiet comfort on Alaskan waters. Powered by triple Mercury 500hp V12 outboards, it offers 1,500 HP for smooth cruising and effortless handling. These outboards feature steerable lower units to reduce clearance requirements, allowing for a large swim platform for added space. A Seakeeper gyro stabilizer adds stability, and a two-speed automatic transmission provides optimum efficiency. With a cruising speed of 40 mph, Global Sea combines performance and practicality in a thoughtfully crafted design.

RAVEN

**41' x 13' LANDING CRAFT CABIN CRUISER**

**BWLC4113 "RAVEN"**

## 41'x13' LANDING CRAFT CABIN CRUISER

It's no secret that we love landing crafts for their versatility and endless potential for adventure in Alaska. The Raven might be the ultimate example of a rugged and capable platform built with comfort and adventure in mind. This hybrid-style boat features 1,100 HP twin jet propulsion, aft fishing deck, a comfortable walk through cabin, and an open forward deck with a large drop down gate, capable of hauling whatever you can dream up. Despite its built-for-anything design, this tastefully built boat has all the amenities, including a Seakeeper 5 gyro stabilizer, bunk room, galley, head, raft and davit system, lockable gun storage, and so much more.

# DOUBLE EAGLE

AK-1847-AV

**DOUBLE EAGLE**

**33' x 11' CATAMARAN**

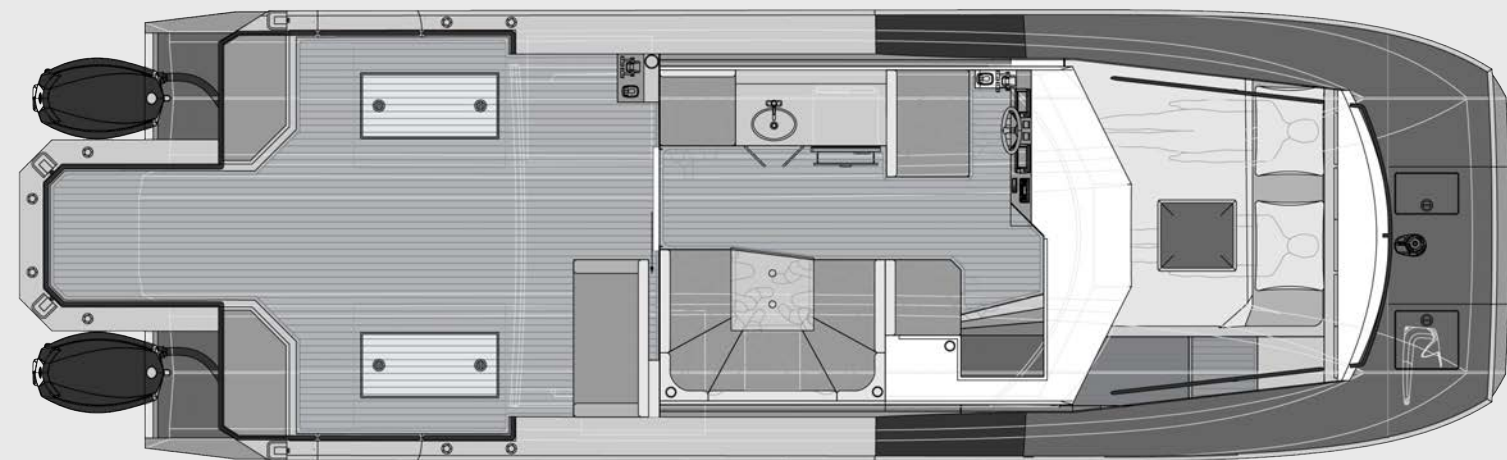

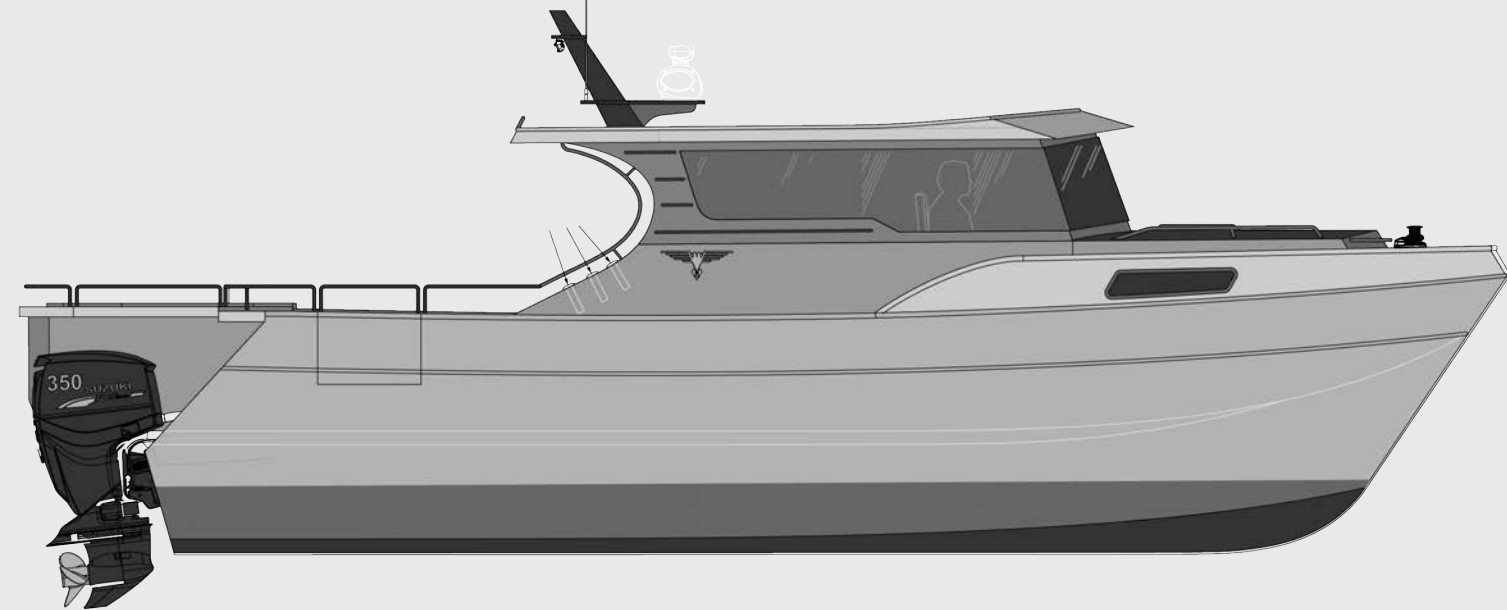

BWCAT3311 "DOUBLE EAGLE"

## 33'x11' CATAMARAN

Double Eagle is a 33' custom-built catamaran that blends a unique appearance with the ultimate in sportfishing functionality. Designed with no compromises, this luxury platform features thoughtful details to enhance both comfort and performance.

Key design elements include a side boarding entry for convenience, an aft deck extension between the outboards for optimal fishing ergonomics, and high-end finishes throughout. Custom upholstery and cast bronze accents add an elegant touch, making Double Eagle as sophisticated as it is practical.

Built to perform and crafted to impress, Double Eagle is a standout vessel for anglers and adventurers alike.

SHUYAK

**32' x 10'6" LANDING CRAFT**

## 32'x10'6" LANDING CRAFT

This expedition-style landing craft is custom-built for exploring the rugged Alaska coastline. Powered by twin Suzuki 350hp duo-prop outboards, it's designed to handle extended overnight and multi-day trips with ease. The walk-through cabin is thoughtfully outfitted with a fully equipped galley, a convertible dinette table, a head with shower, and multiple sleeping options, including a quarter berth stateroom and a pilothouse bunk, comfortably sleeping up to five.

Seakeeper gyro stabilization ensures a smooth ride, while a house generator and a full Garmin electronics package provide the safety, comfort, and reliability needed for exploring remote waters. This vessel blends practicality and comfort for unforgettable expeditions.

**LENGTH OVERALL** 37 FEET

**BEAM** 10.5 FEET

Gypsy

**30' x 10' WALK-THROUGH CABIN**

## 30'x10' WALK-THROUGH CABIN

This walk-through cabin, Gypsy, is a 30' x 10' vessel designed for performance, comfort, and convenience on the water. With seating for 8 and sleeping for 2, it's perfect for both day trips and overnight adventures. Equipped with a full galley, dinette, and head, Gypsy is ready for extended outings. Features include a drop gate for beach landings, a side door for easy boarding, kayak storage with a davit system, and an aft cleaning table with a fish box for added versatility. An Espar diesel cabin heater and saltwater wash down pump enhance comfort and practicality. A full Garmin electronics package ensure smooth navigation. Gypsy offers everything you need for the perfect on-water escape.

# MEGAN ELIZABETH

43' x 13' V-BERTH 

BW4313 "MEGAN ELIZABETH"

## 43'x13' V-BERTH

Designed for comfort, the Megan Elizabeth is a larger v-berth platform that offers seating for ten and roomy sleeping space for six, with a full suite of amenities. The forward berth stateroom includes a queen bed, shower, and ample storage, while a full-size berth under the dinette provides additional privacy. Additional features include a Seakeeper 6 gyro stabilizer, 11kW diesel generator, bow thruster, hydraulic crane. A standout feature of the 43' Megan Elizabeth is her twin Volvo IPS propulsion system. The latest innovation from Volvo utilizes a pod design for efficient cruising and dynamic positioning.
